

No.48 Of 2008

6 August 2008

Dear Port Users,

**PHASE 3 TRAFFIC DIVERSION FOR CONSTRUCTION OF NEW MAIN GATE**

1. Further to our "Traffic Diversion for Construction of New Main Gate" circular dated 30 April 2008, we are pleased to inform you that the "OUT" lanes of the new Main Gate have been completed.
2. From 12 August 2008, we will commence Phase 3 Traffic Diversion "A" in the attached Appendix 1 to allow for the construction of the "IN" lanes of the new Main Gate.
3. Traffic entering Jurong Port and Jurong Port Building will be diverted slightly to the "IN" lanes marked "A" in the attached plan. A "lay-by" (shaded light green) has been created for trucks to park temporarily while awaiting the application for the short term entry pass. A pedestrian footpath (shaded blue) has also been built for truck drivers to walk to the "Temporary Pass" office.

All other vehicles such as saloon cars/vans/pick-ups should be parked at the Visitor Car Park "B" located at the Jurong Port Building.

4. We sincerely appreciate your understanding and cooperation to ensure a smooth flow of traffic during the period of construction.
5. If you have any inquiries, please contact:
  - i. General and Bulk Cargo Office (24 Hours Hotline) at 62648002 or
  - ii. Customer Service Hotline (Office Hour) at 64139600

Thank you.
