## **JURONG PORT SAFETY BULLETIN No. 17 – NOVEMBER 2008** **NOTIFICATION OF AN EMERGENCY**

In an emergency, every second counts in saving lives and minimizing property damages.

It is therefore crucial to execute an emergency action plan with timely and complete information given at the notification and reporting stage. This will ensure effective deployment of resources, involvement of parties and activation of public emergency services.

An Informant should report clearly the following;

- Name, Designation and Company he represents.
- Location of the incident
- Type of Emergency
- Number of Injured (if known)

Important Emergency Numbers;

Fire & Safety : 6660 9555  
Security : 6660 9599
