

Jurong Port

No.79 of 2021

01 October 2021

Dear Lighter Operator Community

CHANGE OF GRID COMMUNICATIONS NETWORK

We have been informed by GRID Communications that they would close their existing GRID iDEN network.

Due to the eventual closure of GRID iDEN network, we would be using GRIDTalk on 4G LTE network with effect from 10 October 2021.

The channel name for berth communication between the vessel masters and the Lighter Terminals duty Dockmaster remains the same as Talkgroup #1 "JP LIGHTERS".

To minimise disruption during the transition period, at the Lighter Terminals our duty Dockmasters will be manning handsets on both GRID iDEN and GRIDTalk networks for berth communication with the vessel masters until 31 October 2021.

From 1 November 2021, our duty Dockmasters will only be using the handsets on GRIDTalk network.

For matters on GRID Communications, please contact them directly.

Should you have any other queries, please contact our Customer Service at email jpcss@jp.com.sg / 6413 9600 or Lighter Terminals at email lighterterminals@jp.com.sg Marina South Wharves 6413 9617/ Penjuru Terminal 6413 9614.

Thank you.

Ron Tan
