Dear All

REGULAR TESTING REQUIREMENTS FOR ALL PORT USERS (OFFICE BASED STAFF and VISITORS)

1. This circular is to be read in conjunction with JP Circular 83.
2. In line with the Multi-Ministerial Task Force strategy towards frequent and regular testing for all individuals, all Port Users that are currently **not** on any form of RRT FET program will be required to undergo a self-administered ART swab on a weekly basis.
3. Visitors to JP premises who are currently **not** on any form of RRT FET will also be required to conduct an ART self-swab within 24 hrs prior to visiting JP premises.
4. The frequency of each ART self-swab will be on a weekly basis and individual can return to workplace or re-visit JP within the span of 7 days after the previous swab without requiring for another swab.
5. For self-swab, results can be uploaded into the following link:

[COVID-19 Self Testing Portal \(hpb.gov.sg\)](https://hpb.gov.sg)
6. Verification of this swab requirement will be carried out at entry point to all JP premises by the security team and at the pass office prior to issuance of port passes. Proof of evidence can either be shown in the form of time stamped photo of swab result with JP Pass/ Long term pass/ Short term pass or via Health Hub status/ MOM SG Workpass Access Code.
